

My Fellow Parrot Heads:

Please allow me to introduce myself.

I am Steve Broun or **“Just” Steve** and I would like to represent you as your Member at Large.

I became aware of the ECPHC in 2005 as a guest. After enjoying a couple of the Phlockings with my host, I decided to join. The laid back atmosphere and fun people were great but being able to “Give Back” to the community with charitable contributions convinced me to join and participate.

During the past several years I have had the pleasure of participating at several Phlockings as both a member and a sponsor. As a businessman in the community, I have enjoyed the privilege of contributing several raffle items, and as a restaurant manager I also had the privilege to host the Club.

In the past year alone I have enjoyed decorating our float and participating in the Christmas Parade and both; Destin and Navarre Mardi Gras parades. I have also enjoyed participating at the “Stars Fell on Alabama” in Orange Beach, Al and the “Parrot Head Rendezvous” in Panama City.

I have enjoyed supporting the Club, where my sponsorship with Brusters was able to help raise money for the American Cancer Society’s “Relay for Life”.

With Brusters; I was also able to support the Club’s effort at “Stripes, Stars and Tiki Bars” where we raised monies for Fisher House of the Emerald Coast.

By participating at the Panhandle Phunfest I was able to contribute further to our efforts in support of Fisher House.

I was glad to act as an ambassador for the Club while supporting the “Emerald Coast Foundation” by volunteering at the 17th annual Emerald Coast Poker Run.

As a participant since 2005 I have seen the club grow and mature and now I want to take the next step in promoting our social and civic activities by becoming your next “Member at Large”. With my almost 30 years in customer service and sales I am confident that I can continue to grow our club and fulfill our goal to “Party with a Purpose”.
